SCOTT EDSON
EXECUTIVE DIRECTOR

August 1, 2019

Los Angeles Regional Interoperable Communications System Authority (the "Authority")
Board of Directors (Board)

Dear Directors:

DELEGATE AUTHORITY TO EXECUTIVE DIRECTOR TO NEGOTIATE AND EXECUTE AGREEMENTS FOR A LAND MOBILE RADIO SYSTEM SITE

SUBJECT

This letter requests authority from the Board for the Executive Director to finalize and execute an agreement substantially similar in form to the enclosed Site Access Agreements (SAAs) with Tyjade Ranch, LLC and CityWalk for one site in the Land Mobile Radio (LMR) System.

RECOMMENDED ACTION:

It is recommended that your Board:

1. Find that the design, construction, implementation, operation and maintenance of LMR System infrastructure at the Universal City Plaza location of Site Universal (UNIV), and the approval and execution of the SAA with Tyjade Ranch, LLC for the Universal City Plaza location of Site UNIV, which would allow the construction, implementation, operation and maintenance of the LMR System at this location, are within the scope of activities previously authorized on December 12, 2016, which your Board found categorically exempt from CEQA pursuant to CEQA Guidelines Sections 15301, 15303 and 15304 for the reasons stated in this Board Letter and as noted in the record of the project, and that determination that these activities are exempt from CEQA remains unchanged.
2. Find that the design, construction, implementation, operation and maintenance of LMR System infrastructure at the Universal Studios CityWalk location of Site UNIV, and the approval and execution of the SAA with CityWalk for the Universal Studios CityWalk location of Site UNIV, which would allow the construction, implementation, operation and maintenance of the LMR System at this location, are categorically

AGENDA ITEM A

exempt from review under CEQA pursuant to CEQA Guidelines Sections 15301, 15303 and 15304 for the reasons stated in this Board Letter and as noted in the record of the project.

3. Authorize the Executive Director to finalize and execute SAAs with Tyjade Ranch, LLC and CityWalk, substantially similar in form to the agreements enclosed hereto.

BACKGROUND

At its May 16, 2013, Board meeting, your Board directed staff to begin negotiations with various jurisdictions for SAAs for the use of specific sites by the Authority for LMR and/or Long Term Evolution (LTE) broadband communication sites. With respect to LMR discussions and negotiations with Tyjade Ranch, LLC, and City-Walk have resulted in the enclosed SAAs.

Entering into the proposed SAAs with Tyjade Ranch, LLC, and CityWalk would provide the Authority with a license or sublicense to use a portion of their owned or leased properties for use as a LMR communications site. The licensed site would include all necessary space and easements for access and utilities to construct, install, operate, maintain and repair a LMR communications facility.

Delegated authority is requested to execute the agreements on substantially similar terms and conditions as previously approved by your Board for the LTE and/or LMR installations. Granting approval for the execution of the proposed agreements will assist in keeping the LMR project schedule on track, and help make the goal of interoperable communications in Los Angeles County a reality.

A brief summary of similar relevant provisions with Tyjade Ranch, LLC, and CityWalk follows below:

Member Agency	Number of Sites	Term	Lease Cost	Zoning Requirements	Ministerial Permitting Cost
Tyjade Ranch, LLC & CityWalk	1	10 years	Gratis	Exempt	Waived

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Construction of the proposed LMR System Site would allow for greater frequency flexibility and would increase radio coverage, especially in those areas where there is no current or very limited LMR coverage. The addition of new LMR infrastructure at the UNIV site will provide public safety agencies the opportunity to increase their coverage footprint for their responders. With increased coverage, the Authority and member agencies could

use the system for testing, running coverage maps, broadcasting, and as appropriate, in their day to day operations.

FISCAL IMPACT/FINANCING

The granting of non-exclusive access to the LA-RICS Authority will be on a gratis basis.

ENVIRONMENTAL DOCUMENTATION

Site UNIV consists of two locations – a Universal City Plaza location and a Universal Studio CityWalk location. By way of background, Site UNIV initially consisted of a multi-story building located at 10 Universal City Plaza, Los Angeles. As the CEQA lead agency, the Authority previously determined on December 12, 2016, that design, construction, implementation, operation, and maintenance of LMR System infrastructure at Site UNIV is exempt from review under CEQA pursuant to CEQA Guidelines Sections 15301, 15303 and 15304. Since then, based on continued site utilization and access agreement discussions with the property owner, it was concluded that the LMR infrastructure originally contemplated for Site UNIV cannot be fully accommodated at the 10 Universal City Plaza location, and a nearby, non-adjacent multi-story facility located on Universal Studios City Walk at 1000 Universal Studios Blvd., Building 4505/N4 Tower, Universal City would need to be considered as a complimentary location to accommodate the infrastructure originally contemplated.

For Site UNIV's 10 Universal City Plaza location, approval of the SAA, which would allow construction, implementation, operation and maintenance of the LMR System infrastructure at this location, is within the scope of the activities previously authorized by your Board on December 12, 2016, and the determination that these activities are exempt from CEQA remains unchanged. This determination is supported by substantial evidence in the custody of the Authority, which is incorporated in relevant part into the record of proceedings for the SAA for Site UNIV.

For Site UNIV's Universal Studios CityWalk location, design, construction, implementation, operation and maintenance of the LMR System infrastructure at this location, and approval and execution of the SAA, which would allow construction, implementation, operation, and maintenance of the LMR System infrastructure at this location are exempt from review under CEQA pursuant to CEQA Guidelines Sections 15301, 15303 and 15304. This determination is based on a detailed analysis of the Site UNIV's Universal Studios CityWalk location, available in the Authority's files, which demonstrates that the communications equipment proposed at this location (1) consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use (Guidelines § 15301); (2) consists of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and/or the conversion of existing small structures from one use to another where only minor

modifications are made in the exterior of the structure (Guidelines § 15303); and (3) consists of minor alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees (Guidelines § 15304). The analysis also demonstrates that none of the activities proposed at this location trigger any applicable exception to the identified categorical exemption(s). (Guidelines § 15300.2.)

Specifically, at Site UNIV's Universal Studios CityWalk location, the LMR project would not impact any environmental resources of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law by federal, state, or local agencies. Further, there are no cumulative impact of successive projects of the same type in the same place, over time to be significant; there is no reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances; the project at the site would not result in damage to scenic resources within a highway officially designated as a state scenic highway; the site is not included on any list compiled pursuant to Section 65962.5 of the Government Code; and the project at the site would not cause a substantial adverse change in the significance of a historical resource.

Upon the Board's approval of the recommended action, the Authority will file a Notice of Exemption with the County Clerk for the SAAs for the entirety of Site UNIV in accordance with Section 15062 of the State CEQA Guidelines.

FACTS AND PROVISIONS/LEGAL REQUIREMENT

The Authority's counsel has reviewed the recommended action.

Respectfully submitted,

SCOTT EDSON
EXECUTIVE DIRECTOR

THIS LMR SITE ACCESS AGREEMENT ("Agreement"), is made and entered into in duplicate original this ____ day of August, 2019,

BY AND BETWEEN

TYJADE RANCH LLC, hereinafter referred to as "Owner."

AND

THE LOS ANGELES REGIONAL INTEROPERABLE COMMUNICATIONS SYSTEM AUTHORITY, a Joint Powers Authority, hereinafter referred to as "LA-RICS Authority."

RECITALS:

WHEREAS, Owner desires to license the use of a portion of the Real Property to the LA-RICS Authority for use as a Land Mobile Radio ("LMR") communication site; and

WHEREAS, the parties hereto acknowledge that: (a) LA-RICS AUTHORITY has retained Motorola Solutions, Inc. ("LMR Vendor") to design, construct, and perform services with respect to a regional interoperable LMR telecommunications system as a part of the LA-RICS; and (b) any of the LA-RICS Authority member agencies may assume the LA-RICS Authority's rights and obligations under this Agreement and/or may perform services with respect to this LA-RICS Agreement; and

WHEREAS, in connection with the use of another LMR site pursuant to that certain LMR Site Access Agreement dated as of August [], 2019 (the "CityWalk Agreement"), by and between LA-RICS AUTHORITY and Universal Studios LLC, d/b/a Universal CityWalk Hollywood, an affiliate of Owner, LA-RICS AUTHORITY is willing to accept and exercise the rights granted by this Agreement for use of a LMR site located on the Real Property in accordance with the terms and conditions prescribed herein.

NOW, THEREFORE, in consideration of the foregoing recitals, which are hereby deemed a contractual part hereof, and the mutual promises, covenants, and conditions set forth herein, the parties hereto agree as follows:

1. **LMR SITE**

Owner hereby licenses to the LA-RICS AUTHORITY and LA-RICS AUTHORITY hereby accepts from Owner on the terms and conditions set forth herein, the use of certain portions of the Real Property, together with all necessary space and easements for access and utilities to install and operate an unmanned LMR communication facility, as more particularly described on Exhibit A-2 attached hereto and incorporated herein by this reference (the "LMR Site").

The LA-RICS AUTHORITY acknowledges its personal inspection of the LMR Site and the surrounding area and evaluation of the extent to which the physical condition thereof will affect its operations. The LA-RICS AUTHORITY accepts the LMR Site in its as-is condition with no duty to investigate, and Owner makes no warranty, express or implied, as to the suitability of the LMR Site or the Real Property for the LA-RICS AUTHORITY's use; its physical condition, including the condition and stability of the soils or groundwater on or under any of the Real Property; and the presence of pollutants or contaminants therein. Owner shall not be liable for any damage to LA-RICS AUTHORITY's improvements, alterations, or personal property (including equipment), regardless of the cause thereof, unless such damage is caused by Owner's gross negligence or willful misconduct.

LA-RICS AUTHORITY and/or the LMR Vendor may make or construct or cause to be made or constructed additions, alterations, repairs, replacements or other changes to the LMR Site at the LA-RICS AUTHORITY's expense only in accordance with all of the terms and conditions of this Agreement, including, without limitation, Owner's approval rights set forth herein.

LA-RICS AUTHORITY hereby acknowledges the title of the Owner or its successors in the Real Property and covenants and agrees never to assail, contest, or resist said title.

Ownership of all improvements constructed by the LA-RICS AUTHORITY upon each and every site comprising the LMR Site and all alterations, additions or betterments thereto shall remain with the LA-RICS AUTHORITY or other agencies as may be provided by any applicable LA-RICS grant requirements. The LA-RICS AUTHORITY may remove any of its own improvements to the Real Property at any time during the term of this Agreement, and Owner hereby waives any and all lien rights it may have in relation thereto, statutory or otherwise.

2. **PURPOSE AND USE**

The sole purpose of this Agreement is to allow the LA-RICS AUTHORITY to use the LMR Site for the installation, operation, maintenance, and repair of a LMR facility. The LA-RICS AUTHORITY (and/or its member agencies, the LMR Vendor and/or other agents): (a) shall have the right to construct, install, repair,

remove, replace, maintain, and operate the LA-RICS AUTHORITY's LMR communications system, which typically consists of, without limitation, the infrastructure, shelters, equipment and related improvements listed on Exhibit B (Equipment List) attached hereto and incorporated herein by this reference (such LMR system, and associated infrastructure, shelters, equipment and related improvements, collectively, the "LA-RICS Facility") and other related materials as may be deemed necessary by the LA-RICS AUTHORITY, and (b) shall be allowed access over, through and across each site comprising the Real Property for ingress to and egress from the applicable LMR Site 24 hours per day, 7 days per week upon reasonable prior notice to Owner (but not less than 1 business day unless in an emergency) and subject to Owner's safety and security procedures (e.g., registration and access control, workplace safety considerations); provided, that unless due to emergency, LA-RICS AUTHORITY and/or the LMR Vendor shall limit any such access requests to regular business hours, Monday through Friday. Each LMR Site shall be used only for the purposes authorized by this Section 2.01, and such other purposes as are directly related thereto, and for no other purposes whatsoever (collectively the "Permitted Activities").

The LA-RICS AUTHORITY shall ensure that all usage of the LMR Site and/or the Real Property hereunder, including without limitation usage by the LMR Vendor, is in compliance with all terms and conditions of this Agreement.

Nothing contained in this Agreement shall be deemed or construed in any way to limit the Owner's authority to exercise any right or power concerning the utilization of the Real Property including without limitation the LMR Site; provided, however, that such Owner authority shall not include the exercise of any right or power that would interfere with the LA-RICS Facility.

3. APPROVALS/DESIGN REVIEW

The LA-RICS AUTHORITY shall furnish and submit to Owner copies of project plans and specifications (along with any other information reasonably requested by Owner) for the LMR Site at the 50% and 100% stages of design development, for Owner's review and written approval. LA-RICS AUTHORITY agrees to discuss with Owner the Owner's concerns, if any, regarding the proposed plans and to work in good faith to address such concerns and obtain Owner's written approval prior to implementation of said plans.

Conceptual site plans for the LMR Site are identified in Exhibit C. Upon the LA-RICS AUTHORITY's and Owner's (or Owner's authorized agent's) written approval of the final site plan for the LMR Site, such final site plan will be deemed incorporated herein by reference as an update to Exhibit C. Owner agrees that it will approve or deny approval of plans and specifications within twenty (20) days of receipt of said plans and specifications, otherwise said plans and specifications shall be deemed disapproved. Following any disapproval of plans and

specifications, Owner agrees that it will approve or deny approval of any resubmitted plans and specifications within ten (10) business days of receipt of such re-submitted plans and specifications, otherwise said plans and specifications shall be deemed disapproved. Any modifications or further developments to or of any of the plans and specifications following Owner's approval shall be subject to Owner's written review and consent, in its sole discretion. Once Owner has approved the plans and specifications for each LMR Site, LA-RICS AUTHORITY shall provide Owner with a notice of work commencement and an estimated time of completion for each LMR Site.

Owner and the LA-RICS AUTHORITY acknowledge that the LA-RICS AUTHORITY is a California joint powers authority whose members have specified, pursuant to Section 4.04 of its Joint Powers Agreement and Section 6509 of the California Government Code, that all common powers exercised by the LA-RICS AUTHORITY's Board of Directors shall be exercised in a manner consistent with, and subject to all the restrictions and limitations upon the exercise of such powers, as are applicable to the County of Los Angeles ("County") (i.e., the LA-RICS AUTHORITY has adopted the County's operating mode). Accordingly, Owner and the LA-RICS AUTHORITY agree that the LA-RICS AUTHORITY (i) will comply with County Building Code requirements and (ii) will seek only those governmental approvals that would normally apply to the County, other than with respect to ministerial permits as described below. Notwithstanding the foregoing, the parties agree that their cooperation in addressing any concerns raised by the Owner is essential to the success of the LA-RICS project and that accordingly all such concerns will be taken into consideration throughout the LMR Site plan approval process, as described in this Section 3 and in Section 8.

Should ministerial permits be required, Owner shall expeditiously assist LA-RICS AUTHORITY to process such permits within its jurisdiction, at LA-RICS AUTHORITY's cost and expense. To the extent there may be costs associated with Owner's review, such costs will be waived for LA-RICS AUTHORITY. Subject to Owner's written approval, the LA-RICS AUTHORITY may perform and obtain, at the LA-RICS AUTHORITY's sole cost and expense, soil borings, percolation tests, engineering reports, environmental investigations or other tests or reports on, over, and under each LMR Site to the extent necessary to proceed with design, construction, or for compliance with the California Environmental Quality Act and/or the National Environmental Policy Act, and/or to determine if the LA-RICS AUTHORITY's use of the LMR Site will be compatible with the LA-RICS AUTHORITY's engineering specifications and design and operational requirements; provided, a copy of any report received by LA-RICS AUTHORITY in connection with the LMR Site shall be delivered to Owner. Owner shall work cooperatively and expeditiously with the LA-RICS AUTHORITY to complete review of any project plans and specifications, so as not to delay the design and construction of the LA-RICS Facility.

4. **TERM**

4.01 **Initial Term.** The initial term ("Initial Term") of the Agreement shall commence upon full execution of this Agreement ("Commencement Date") and shall terminate on the last day of the calendar month containing the tenth (10th) anniversary of the Commencement Date (such date, the "Expiration Date"), unless terminated earlier pursuant to written notice of termination (a) by LA-RICS AUTHORITY or (b) by Owner pursuant to Section 28 (Default) hereof.

4.02 **Termination for Convenience.** Owner shall have the right to terminate this Agreement for convenience upon not less than six (6) months' prior written notice to LA-RICS AUTHORITY. On the date of termination specified in such notice, this Agreement shall expire and terminate as if such date were the Expiration Date originally written above.

4.03 **Termination of CityWalk Agreement.** In the event the CityWalk Agreement is terminated prior to the expiration or earlier termination of this Agreement, Owner shall have the right to terminate this Agreement upon thirty (30) days' prior written notice to LA-RICS AUTHORITY. On the date of termination specified in such notice, this Agreement shall expire and terminate as if such date were the Expiration Date originally written above; provided, in no event shall such termination pursuant to this Section 4.03 occur before the actual termination of the CityWalk Agreement.

5. **CONSIDERATION**

The consideration for the use granted herein shall be LA-RICS AUTHORITY's compliance with all of the terms and conditions of this Agreement.

6. **CONDITIONS PRECEDENT TO INSTALLATION OR ALTERATIONS OF EQUIPMENT**

Owner shall have the opportunity to review, provide input, if any, and approve all project plans and specifications for the LA-RICS AUTHORITY's proposed alterations of the equipment comprising the LA-RICS Facility (not including "like-kind" replacements) after LA-RICS AUTHORITY's initial installation of the LA-RICS Facility on the LMR Site. In addition, Owner shall have the right to inspect said equipment and the LMR Site at any time during and after installation upon not less than twenty-four (24) hours prior written notice to the LA-RICS AUTHORITY (except in cases of emergency pursuant to Section 14 hereof (Emergency Access)) and, at LA-RICS AUTHORITY's option, LA-RICS AUTHORITY may choose to have a representative to accompany Owner during any such inspection of or access to a LMR Site. The LA-RICS AUTHORITY shall not commence installation of equipment or alteration of a LMR Site, or any portion thereof, until the Owner has reviewed and approved the plans and specifications

in accordance with all of the terms and conditions of this Agreement, including without limitation Sections 3 and 8 hereof. Owner's review and approval of the plans shall not release the LA-RICS AUTHORITY from the responsibility and liability for, or the correction of, any errors, omissions or other mistakes that may be contained in the plans and specifications. The LA-RICS AUTHORITY shall be responsible for notifying Owner and all other relevant parties immediately upon discovery of such omissions and/or errors and the anticipated corrections. The LA-RICS AUTHORITY shall not cause or permit any change of any equipment installed by the LA-RICS AUTHORITY on a LMR Site including power outputs or changes in the use of frequencies described in Exhibit B hereto (Equipment List), but not including "like-kind" replacements, except after Owner has been provided an opportunity to review and approve, such plans and specifications. For purposes of this Agreement, "like-kind" replacements shall mean replacements of equipment with the same specifications (including power, frequency, emissions, size, etc.) as the equipment being replaced.

7. INSTALLATION

LA-RICS AUTHORITY shall install the LA-RICS Facility at its own expense and risk as approved by Owner in accordance with the terms hereof, and such installation shall not cause radio frequency interference with equipment, transmission or reception (operated currently or in the future) by the Owner, or currently by any other third party located at the Real Property. LA-RICS AUTHORITY and/or its agent shall install interference protection devices such as isolators, cavities, circulators, or combiners as required or recommended by accepted industry practices. Each component of the LA-RICS Facility shall be clearly identified with LA-RICS AUTHORITY's and, as applicable, member agency and/or LMR Vendor's name, address, telephone number, Federal Communications Commission ("FCC") license and frequencies in use. Such identification shall be attached to each component of the LA-RICS Facility in plain view.

LA-RICS AUTHORITY agrees that Owner may grant the use of any portion of the Real Property to any third party for the purpose of installing communications transmitting equipment, so long as any such uses granted after the effective date of this Agreement do not conflict or interfere with LA-RICS AUTHORITY's operations as provided for pursuant to this Agreement, as of the date of grant to such third party. Any third party granted rights by the Owner shall be required to comply with all applicable noninterference rules of the FCC.

Owner reserves the right, at its expense, to install on the Real Property, including without limitation within the LMR Site, its own and its affiliates' communications shelter, telecommunication equipment, and appropriate tower space for telecommunications and/or microwave (collectively, the "Owner

Facilities") LA-RICS AUTHORITY agrees to make commercially reasonable efforts to resolve any radio frequency interference issues with equipment, transmission or reception caused by the installation of the Owner Facilities; if LA-RICS AUTHORITY is unable to resolve such interference, LA-RICS AUTHORITY may terminate this Agreement upon notice to Owner.

LA-RICS AUTHORITY accepts the LMR Site in an "as is" condition as of the date of full execution of this Agreement. Subject to Section 3 of this Agreement, LA-RICS AUTHORITY shall have the right to finance and construct approved equipment and related improvements on the LMR Site at LA-RICS AUTHORITY' sole cost and expense, except as may be provided otherwise by other agreements. Following the construction and installation of LA-RICS AUTHORITY's infrastructure, shelter, equipment, and related improvements, and subject to Owner's written approval in its sole discretion, LA-RICS AUTHORITY may thereafter, at its sole cost and expense, perform construction, maintenance, repairs, additions to, and replacements of its equipment as necessary and appropriate for its ongoing business and, subject to Owner's approval, has the right to do all work necessary to prepare, modify and maintain the LMR Site to accommodate LA-RICS AUTHORITY's infrastructure, shelter, equipment, and related improvements and as required for LA-RICS AUTHORITY's operations of the LA-RICS Facility at the LMR Site, including any structural upgrades required to accommodate LA-RICS AUTHORITY's infrastructure, shelter, equipment, and related improvements on the LMR Site. Notwithstanding anything to the contrary above, Owner's approval shall not be required for "like-kind" replacements.

Upon completion of the installation of the equipment comprising the LA-RICS Facility at the LMR Site, LA-RICS AUTHORITY shall provide Owner with a time of completion notice and as-built drawings of the LA-RICS Facility ("As-Builts"). Such As-Builts shall include the location of any of LA-RICS AUTHORITY shelters, cabinets, grounding rings, cables, and utility lines associated with LA-RICS AUTHORITY use of the LMR Site in CAD and PDF formats. Upon receipt of the As-Builts by Owner, the As-Builts shall be deemed incorporated herein by reference as updates to Exhibit C (Site Plan). In the event that LA-RICS AUTHORITY fails to deliver the As-Builts as required by this section within ten (10) business days of receipt of written notice, Owner may cause such As-Builts to be prepared on behalf of LA-RICS AUTHORITY and Owner shall assess a fee for such As-Builts, the cost of which shall become immediately due and payable to Owner upon invoice accompanied by supporting documentation of such fee.

LA-RICS AUTHORITY shall be responsible for all costs and expenses arising directly from the installation of its equipment at the LMR Site, including communications interference, building damage and repair, employee complaints, third-party tenant complaints, community complaints, etc.

8. **ALTERATIONS**

LA-RICS AUTHORITY shall make no renovations, alterations or improvements to the LMR Site or the Real Property other than to install, maintain, replace and operate the LA-RICS Facility in accordance with the documentation attached hereto as Exhibits A, B, and C and/or as permitted elsewhere herein, without (i) providing prior written notice to Owner and (ii) receiving Owner's written approval of such work, provided that such renovations, alterations, or improvements shall be consistent with the authorized use set forth in Section 2.02 hereof. Notwithstanding the foregoing, however, it is understood and agreed that LA-RICS AUTHORITY shall have the right to make repairs and replacements (i) of "like-kind" infrastructure, shelters, equipment, and/or related improvements without providing notice to the Owner or obtaining Owner's approval or (ii) or that may be required as a result of FCC rules or regulations, after providing notice to the Owner (but without obtaining Owner's approval). LA-RICS AUTHORITY agrees: (i) to submit to the Owner, for review and written approval, all plans and specifications, working drawings, and other information reasonably required by the Owner covering proposed alterations by LA-RICS AUTHORITY, (ii) to discuss with Owner the Owner's concerns, if any, regarding the proposed alterations, and (iii) to work in good faith to address such concerns. All work to be done by LA-RICS AUTHORITY shall be performed in accordance with the plans provided to and approved by Owner.

9. **MAINTENANCE**

The LMR Site shall be kept neat and clean by LA-RICS AUTHORITY and ready for normal use by Owner and other users. Should LA-RICS AUTHORITY fail to accomplish this, following fifteen (15) business days written notice from Owner, Owner may perform the work and LA-RICS AUTHORITY shall pay the cost thereof upon written demand by Owner.

LA-RICS AUTHORITY shall be responsible for the timely repair of all damage to the LMR Site or the Real Property caused by the negligence or willful misconduct of LA-RICS AUTHORITY, its employees, agents or business vendors, including without limitation the LMR Vendor. Any waiver by either party of the breach of any one or more of the covenants, conditions, terms and agreements herein contained shall not be construed to be a waiver of any other breach of the same or of any other covenant, condition, term or agreement herein contained, nor shall failure on the part of either party to require exact, full and complete compliance with any of the covenants, conditions, terms or agreements herein contained be construed as in any manner changing the terms of this Agreement or stopping either party from enforcing the full provisions thereof.

No option, right, power, remedy, or privilege of either party shall be construed as being exhausted by the exercise thereof in one or more instances. The rights, powers, options, and remedies given either party by this Agreement shall be cumulative.

30. **HAZARDOUS MATERIALS**

The parties hereto hereby warrant and represent that they shall comply with all applicable Federal, State, and local laws and regulations (and LA-RICS AUTHORITY hereby warrants and represents that it shall also comply with Owner regulations, as communicated to LA-RICS AUTHORITY) concerning the use, release, storage and disposal of hazardous substances on the LMR Site and the Real Property. For purposes of this Agreement, the term "hazardous substances" shall be deemed to include hazardous, toxic or radioactive substances, as defined in California Health and Safety Code Section 25316, as amended from time to time, or the same or a related defined term in any successor or companion

statutes, and crude oil or byproducts of crude oil other than crude oil which exists on the Real Property as a natural formation, and those chemicals and substances identified pursuant to Health and Safety Code Section 25249.8., as it may be amended from time to time.

The parties each agree to indemnify and defend the other and the other's agents, officers, employees, and contractors against any and all losses, liabilities, claims and/or costs (including reasonable attorneys' fees and costs) to the extent arising from the indemnifying party's breach of any warranty or agreement contained in this Section.

31. **DAMAGE OR DESTRUCTION**

Either party shall have the right to terminate this Agreement with respect to all or any portion of the LMR Site in the event of one of the following: (a) the applicable Real Property or the LMR Site is damaged by fire or other casualty, incidents of war, earthquake, or other violent action of the elements such that repairs cannot reasonably be expected to be completed within forty-five (45) days following said damage (or Owner in its sole discretion elects not to make such repair); or (b) the applicable Real Property or LMR Site is damaged by fire or other casualty, incidents of war, earthquake, or other violent action of the elements such that such damage may reasonably be expected to disrupt LA-RICS AUTHORITY's operations at such LMR Site for more than forty-five (45) days. Any notice of termination provided pursuant to this Section shall cause this Agreement to expire with the same force and effect as though the date set forth in such notice were the date originally set as the expiration date of this Agreement, and the parties shall make an appropriate adjustment, as of such termination date, with respect to payments due to the other under this Agreement, if any.

Should any matter or condition beyond the control of the parties, such as war, public emergency, calamity, fire, earthquake, flood or act of God prevent performance of this Agreement by either party, such party shall be relieved of the performance of such obligations during the time period of the event.

LA-RICS AUTHORITY shall be solely responsible for any damage or loss to LA-RICS AUTHORITY's equipment resulting from theft or vandalism or resulting from any other cause, except to the extent caused by Owner's grossly negligent or willful acts or omissions.

36.06 In the event LA-RICS AUTHORITY violates the antidiscrimination provisions of the Agreement, the parties agree that it is difficult to ascertain the amount of liquidated damages, and hereby agree that the Owner shall, at its sole option, be entitled to the sum of FIVE HUNDRED DOLLARS (\$500.00) for each such violation pursuant to California Civil Code 1671 as liquidated damages in lieu of terminating or suspending this Agreement.

THIS LMR SITE ACCESS AGREEMENT ("Agreement"), is made and entered into in duplicate original this ____ day of August, 2019,

BY AND BETWEEN

CITYWALK, hereinafter referred to as "Owner."

AND

THE LOS ANGELES REGIONAL INTEROPERABLE COMMUNICATIONS SYSTEM AUTHORITY, a Joint Powers Authority, hereinafter referred to as "LA-RICS Authority."

RECITALS:

WHEREAS, Owner owns certain real property described on Exhibit A-1 attached hereto ("Real Property"); and

WHEREAS, Owner desires to license the use of a portion of the Real Property to the LA-RICS Authority for use as a Land Mobile Radio ("LMR") communication site; and

WHEREAS, the parties hereto acknowledge that: (a) LA-RICS AUTHORITY has retained Motorola Solutions, Inc. ("LMR Vendor") to design, construct, and perform services with respect to a regional interoperable LMR telecommunications system as a part of the LA-RICS; and (b) any of the LA-RICS Authority member agencies may assume the LA-RICS Authority's rights and obligations under this Agreement and/or may perform services with respect to this LA-RICS Agreement; and

WHEREAS, in connection with the use of another LMR site pursuant to that certain LMR Site Access Agreement dated as of August [], 2019 (the "CityWalk Agreement"), by and between LA-RICS AUTHORITY and CityWalk, LA-RICS AUTHORITY is willing to accept and exercise the rights granted by this Agreement for use of a LMR site located on the Real Property in accordance with the terms and conditions prescribed herein.

NOW, THEREFORE, in consideration of the foregoing recitals, which are hereby deemed a contractual part hereof, and the mutual promises, covenants, and conditions set forth herein, the parties hereto agree as follows:

1. **LMR SITE**

Owner hereby licenses to the LA-RICS AUTHORITY and LA-RICS AUTHORITY hereby accepts from Owner on the terms and conditions set forth herein, the use of certain portions of the Real Property, together with all necessary space and easements for access and utilities to install and operate an unmanned LMR communication facility, as more particularly described on Exhibit A-2 attached hereto and incorporated herein by this reference (the "LMR Site").

The LA-RICS AUTHORITY acknowledges its personal inspection of the LMR Site and the surrounding area and evaluation of the extent to which the physical condition thereof will affect its operations. The LA-RICS AUTHORITY accepts the LMR Site in its as-is condition with no duty to investigate, and Owner makes no warranty, express or implied, as to the suitability of the LMR Site or the Real Property for the LA-RICS AUTHORITY's use; its physical condition, including the condition and stability of the soils or groundwater on or under any of the Real Property; and the presence of pollutants or contaminants therein. Owner shall not be liable for any damage to LA-RICS AUTHORITY's improvements, alterations, or personal property (including equipment), regardless of the cause thereof, unless such damage is caused by Owner's gross negligence or willful misconduct.

LA-RICS AUTHORITY and/or the LMR Vendor may make or construct or cause to be made or constructed additions, alterations, repairs, replacements or other changes to the LMR Site at the LA-RICS AUTHORITY's expense only in accordance with all of the terms and conditions of this Agreement, including, without limitation, Owner's approval rights set forth herein.

LA-RICS AUTHORITY hereby acknowledges the title of the Owner or its successors in the Real Property and covenants and agrees never to assail, contest, or resist said title.

Ownership of all improvements constructed by the LA-RICS AUTHORITY upon each and every site comprising the LMR Site and all alterations, additions or betterments thereto shall remain with the LA-RICS AUTHORITY or other agencies as may be provided by any applicable LA-RICS grant requirements. The LA-RICS AUTHORITY may remove any of its own improvements to the Real Property at any time during the term of this Agreement, and Owner hereby waives any and all lien rights it may have in relation thereto, statutory or otherwise.

2. **PURPOSE AND USE**

The sole purpose of this Agreement is to allow the LA-RICS AUTHORITY to use the LMR Site for the installation, operation, maintenance, and repair of a LMR facility. The LA-RICS AUTHORITY (and/or its member agencies, the LMR Vendor and/or other agents): (a) shall have the right to construct, install, repair,

remove, replace, maintain, and operate the LA-RICS AUTHORITY's LMR communications system, which typically consists of, without limitation, the infrastructure, shelters, equipment and related improvements listed on Exhibit B (Equipment List) attached hereto and incorporated herein by this reference (such LMR system, and associated infrastructure, shelters, equipment and related improvements, collectively, the "LA-RICS Facility") and other related materials as may be deemed necessary by the LA-RICS AUTHORITY, and (b) shall be allowed access over, through and across each site comprising the Real Property for ingress to and egress from the applicable LMR Site 24 hours per day, 7 days per week upon reasonable prior notice to Owner (but not less than 1 business day unless in an emergency) and subject to Owner's safety and security procedures (e.g., registration and access control, workplace safety considerations); provided, that unless due to emergency, LA-RICS AUTHORITY and/or the LMR Vendor shall limit any such access requests to regular business hours, Monday through Friday. Each LMR Site shall be used only for the purposes authorized by this Section 2.01, and such other purposes as are directly related thereto, and for no other purposes whatsoever (collectively the "Permitted Activities").

The LA-RICS AUTHORITY shall ensure that all usage of the LMR Site and/or the Real Property hereunder, including without limitation usage by the LMR Vendor, is in compliance with all terms and conditions of this Agreement.

Nothing contained in this Agreement shall be deemed or construed in any way to limit the Owner's authority to exercise any right or power concerning the utilization of the Real Property including without limitation the LMR Site; provided, however, that such Owner authority shall not include the exercise of any right or power that would interfere with the LA-RICS Facility.

3. APPROVALS/DESIGN REVIEW

The LA-RICS AUTHORITY shall furnish and submit to Owner copies of project plans and specifications (along with any other information reasonably requested by Owner) for the LMR Site at the 50% and 100% stages of design development, for Owner's review and written approval. LA-RICS AUTHORITY agrees to discuss with Owner the Owner's concerns, if any, regarding the proposed plans and to work in good faith to address such concerns and obtain Owner's written approval prior to implementation of said plans.

Conceptual site plans for the LMR Site are identified in Exhibit C. Upon the LA-RICS AUTHORITY's and Owner's (or Owner's authorized agent's) written approval of the final site plan for the LMR Site, such final site plan will be deemed incorporated herein by reference as an update to Exhibit C. Owner agrees that it will approve or deny approval of plans and specifications within twenty (20) days of receipt of said plans and specifications, otherwise said plans and specifications shall be deemed disapproved. Following any disapproval of plans and

specifications, Owner agrees that it will approve or deny approval of any resubmitted plans and specifications within ten (10) business days of receipt of such re-submitted plans and specifications, otherwise said plans and specifications shall be deemed disapproved. Any modifications or further developments to or of any of the plans and specifications following Owner's approval shall be subject to Owner's written review and consent, in its sole discretion. Once Owner has approved the plans and specifications for each LMR Site, LA-RICS AUTHORITY shall provide Owner with a notice of work commencement and an estimated time of completion for each LMR Site.

Owner and the LA-RICS AUTHORITY acknowledge that the LA-RICS AUTHORITY is a California joint powers authority whose members have specified, pursuant to Section 4.04 of its Joint Powers Agreement and Section 6509 of the California Government Code, that all common powers exercised by the LA-RICS AUTHORITY's Board of Directors shall be exercised in a manner consistent with, and subject to all the restrictions and limitations upon the exercise of such powers, as are applicable to the County of Los Angeles ("County") (i.e., the LA-RICS AUTHORITY has adopted the County's operating mode). Accordingly, Owner and the LA-RICS AUTHORITY agree that the LA-RICS AUTHORITY (i) will comply with County Building Code requirements and (ii) will seek only those governmental approvals that would normally apply to the County, other than with respect to ministerial permits as described below. Notwithstanding the foregoing, the parties agree that their cooperation in addressing any concerns raised by the Owner is essential to the success of the LA-RICS project and that accordingly all such concerns will be taken into consideration throughout the LMR Site plan approval process, as described in this Section 3 and in Section 8.

Should ministerial permits be required, Owner shall expeditiously assist LA-RICS AUTHORITY to process such permits within its jurisdiction, at LA-RICS AUTHORITY's cost and expense. To the extent there may be costs associated with Owner's review, such costs will be waived for LA-RICS AUTHORITY. Subject to Owner's written approval, the LA-RICS AUTHORITY may perform and obtain, at the LA-RICS AUTHORITY's sole cost and expense, soil borings, percolation tests, engineering reports, environmental investigations or other tests or reports on, over, and under each LMR Site to the extent necessary to proceed with design, construction, or for compliance with the California Environmental Quality Act and/or the National Environmental Policy Act, and/or to determine if the LA-RICS AUTHORITY's use of the LMR Site will be compatible with the LA-RICS AUTHORITY's engineering specifications and design and operational requirements; provided, a copy of any report received by LA-RICS AUTHORITY in connection with the LMR Site shall be delivered to Owner. Owner shall work cooperatively and expeditiously with the LA-RICS AUTHORITY to complete review of any project plans and specifications, so as not to delay the design and construction of the LA-RICS Facility.

4. **TERM**

4.01 **Initial Term.** The initial term ("Initial Term") of the Agreement shall commence upon full execution of this Agreement ("Commencement Date") and shall terminate on the last day of the calendar month containing the tenth (10th) anniversary of the Commencement Date (such date, the "Expiration Date"), unless terminated earlier pursuant to written notice of termination (a) by LA-RICS AUTHORITY or (b) by Owner pursuant to Section 28 (Default) hereof.

4.02 **Termination for Convenience.** Owner shall have the right to terminate this Agreement for convenience upon not less than six (6) months' prior written notice to LA-RICS AUTHORITY. On the date of termination specified in such notice, this Agreement shall expire and terminate as if such date were the Expiration Date originally written above.

4.03 **Termination of UNIV 10UCP Agreement.** In the event the UNIV 10UCP Agreement is terminated prior to the expiration or earlier termination of this Agreement, Owner shall have the right to terminate this Agreement upon thirty (30) days' prior written notice to LA-RICS AUTHORITY. On the date of termination specified in such notice, this Agreement shall expire and terminate as if such date were the Expiration Date originally written above; provided, in no event shall such termination pursuant to this Section 4.03 occur before the actual termination of the UNIV 10UCP Agreement.

5. **CONSIDERATION**

The consideration for the use granted herein shall be LA-RICS AUTHORITY's compliance with all of the terms and conditions of this Agreement.

6. **CONDITIONS PRECEDENT TO INSTALLATION OR ALTERATIONS OF EQUIPMENT**

Owner shall have the opportunity to review, provide input, if any, and approve all project plans and specifications for the LA-RICS AUTHORITY's proposed alterations of the equipment comprising the LA-RICS Facility (not including "like-kind" replacements) after LA-RICS AUTHORITY's initial installation of the LA-RICS Facility on the LMR Site. In addition, Owner shall have the right to inspect said equipment and the LMR Site at any time during and after installation upon not less than twenty-four (24) hours prior written notice to the LA-RICS AUTHORITY (except in cases of emergency pursuant to Section 14 hereof (Emergency Access)) and, at LA-RICS AUTHORITY's option, LA-RICS AUTHORITY may choose to have a representative to accompany Owner during any such inspection of or access to a LMR Site. The LA-RICS AUTHORITY shall not commence installation of equipment or alteration of a LMR Site, or any portion thereof, until the Owner has reviewed and approved the plans and specifications

in accordance with all of the terms and conditions of this Agreement, including without limitation Sections 3 and 8 hereof. Owner's review and approval of the plans shall not release the LA-RICS AUTHORITY from the responsibility and liability for, or the correction of, any errors, omissions or other mistakes that may be contained in the plans and specifications. The LA-RICS AUTHORITY shall be responsible for notifying Owner and all other relevant parties immediately upon discovery of such omissions and/or errors and the anticipated corrections. The LA-RICS AUTHORITY shall not cause or permit any change of any equipment installed by the LA-RICS AUTHORITY on a LMR Site including power outputs or changes in the use of frequencies described in Exhibit B hereto (Equipment List), but not including "like-kind" replacements, except after Owner has been provided an opportunity to review and approve, such plans and specifications. For purposes of this Agreement, "like-kind" replacements shall mean replacements of equipment with the same specifications (including power, frequency, emissions, size, etc.) as the equipment being replaced.

7. INSTALLATION

LA-RICS AUTHORITY shall install the LA-RICS Facility at its own expense and risk as approved by Owner in accordance with the terms hereof, and such installation shall not cause radio frequency interference with equipment, transmission or reception (operated currently or in the future) by the Owner, or currently by any other third party located at the Real Property. LA-RICS AUTHORITY and/or its agent shall install interference protection devices such as isolators, cavities, circulators, or combiners as required or recommended by accepted industry practices. Each component of the LA-RICS Facility shall be clearly identified with LA-RICS AUTHORITY's and, as applicable, member agency and/or LMR Vendor's name, address, telephone number, Federal Communications Commission ("FCC") license and frequencies in use. Such identification shall be attached to each component of the LA-RICS Facility in plain view.

LA-RICS AUTHORITY agrees that Owner may grant the use of any portion of the Real Property to any third party for the purpose of installing communications transmitting equipment, so long as any such uses granted after the effective date of this Agreement do not conflict or interfere with LA-RICS AUTHORITY's operations as provided for pursuant to this Agreement, as of the date of grant to such third party. Any third party granted rights by the Owner shall be required to comply with all applicable noninterference rules of the FCC.

Owner reserves the right, at its expense, to install on the Real Property, including without limitation within the LMR Site, its own and its affiliates' communications shelter, telecommunication equipment, and appropriate tower space for telecommunications and/or microwave (collectively, the "Owner

Facilities") LA-RICS AUTHORITY agrees to make commercially reasonable efforts to resolve any radio frequency interference issues with equipment, transmission or reception caused by the installation of the Owner Facilities; if LA-RICS AUTHORITY is unable to resolve such interference, LA-RICS AUTHORITY may terminate this Agreement upon notice to Owner.

LA-RICS AUTHORITY accepts the LMR Site in an "as is" condition as of the date of full execution of this Agreement. Subject to Section 3 of this Agreement, LA-RICS AUTHORITY shall have the right to finance and construct approved equipment and related improvements on the LMR Site at LA-RICS AUTHORITY' sole cost and expense, except as may be provided otherwise by other agreements. Following the construction and installation of LA-RICS AUTHORITY's infrastructure, shelter, equipment, and related improvements, and subject to Owner's written approval in its sole discretion, LA-RICS AUTHORITY may thereafter, at its sole cost and expense, perform construction, maintenance, repairs, additions to, and replacements of its equipment as necessary and appropriate for its ongoing business and, subject to Owner's approval, has the right to do all work necessary to prepare, modify and maintain the LMR Site to accommodate LA-RICS AUTHORITY's infrastructure, shelter, equipment, and related improvements and as required for LA-RICS AUTHORITY's operations of the LA-RICS Facility at the LMR Site, including any structural upgrades required to accommodate LA-RICS AUTHORITY's infrastructure, shelter, equipment, and related improvements on the LMR Site. Notwithstanding anything to the contrary above, Owner's approval shall not be required for "like-kind" replacements.

Upon completion of the installation of the equipment comprising the LA-RICS Facility at the LMR Site, LA-RICS AUTHORITY shall provide Owner with a time of completion notice and as-built drawings of the LA-RICS Facility ("As-Builts"). Such As-Builts shall include the location of any of LA-RICS AUTHORITY shelters, cabinets, grounding rings, cables, and utility lines associated with LA-RICS AUTHORITY use of the LMR Site in CAD and PDF formats. Upon receipt of the As-Builts by Owner, the As-Builts shall be deemed incorporated herein by reference as updates to Exhibit C (Site Plan). In the event that LA-RICS AUTHORITY fails to deliver the As-Builts as required by this section within ten (10) business days of receipt of written notice, Owner may cause such As-Builts to be prepared on behalf of LA-RICS AUTHORITY and Owner shall assess a fee for such As-Builts, the cost of which shall become immediately due and payable to Owner upon invoice accompanied by supporting documentation of such fee.

LA-RICS AUTHORITY shall be responsible for all costs and expenses arising directly from the installation of its equipment at the LMR Site, including communications interference, building damage and repair, employee complaints, third-party tenant complaints, community complaints, etc.

8. **ALTERATIONS**

LA-RICS AUTHORITY shall make no renovations, alterations or improvements to the LMR Site or the Real Property other than to install, maintain, replace and operate the LA-RICS Facility in accordance with the documentation attached hereto as Exhibits A, B, and C and/or as permitted elsewhere herein, without (i) providing prior written notice to Owner and (ii) receiving Owner's written approval of such work, provided that such renovations, alterations, or improvements shall be consistent with the authorized use set forth in Section 2.02 hereof. Notwithstanding the foregoing, however, it is understood and agreed that LA-RICS AUTHORITY shall have the right to make repairs and replacements (i) of "like-kind" infrastructure, shelters, equipment, and/or related improvements without providing notice to the Owner or obtaining Owner's approval or (ii) or that may be required as a result of FCC rules or regulations, after providing notice to the Owner (but without obtaining Owner's approval). LA-RICS AUTHORITY agrees: (i) to submit to the Owner, for review and written approval, all plans and specifications, working drawings, and other information reasonably required by the Owner covering proposed alterations by LA-RICS AUTHORITY, (ii) to discuss with Owner the Owner's concerns, if any, regarding the proposed alterations, and (iii) to work in good faith to address such concerns. All work to be done by LA-RICS AUTHORITY shall be performed in accordance with the plans provided to and approved by Owner.

9. **MAINTENANCE**
