Re: Broadband Technology Opportunities Program (BTOP)
Los Angeles Regional Interoperable Communications System Authority
Grant Award Number: NT10BIX5570158
Satisfaction of Special Award Condition

Dear Mr. Edson:

On May 15, 2019, the Los Angeles Regional Interoperable Communications System Authority (LA-RICS) submitted the signed Finding of No Significant Impact for LA-RICS's LTE System Environmental Assessment (SEA3) and the Environmental and Historic Preservation Special Award Condition for the initial 15 of 26 additional LTE sites as part of phase 2 of the project. Moreover, LA RICS submitted the concurrences from the California State Historical Preservation Office and the US Fish and Wildlife of no adverse impacts associated with the construction activities. Thus, I am writing to inform you that, after careful review of your request and the recommendation from the National Telecommunications and Information Administration (NTIA). Your request is hereby approved. Please keep a record for your files.

Please feel free to contact Gordon Fletcher at (301) 628-1306 or Gordon.Fletcher@noaa.gov should you have any questions concerning this letter.

We look forward to working with LA-RICS as it completes the remaining authorized activities under its BTOP Award.

Sincerely,

Alan Conway,
Branch Chief
Grants Management Division
